

DEMONICALLY PROGRAMMED
DISSOCIATIVE IDENTITY DISORDER (“DID”)
ON HUMAN SPIRIT LEVEL

(A basic understanding of Dissociative Identity Disorder (“DID”) and of all our other teachings would be of great benefit to believers in Jesus Christ who want to study this teaching since it contains revelation from the Holy Spirit that builds upon prior revelation, given by the Holy Spirit to IIC since the start of the ministry in April 2013.)

URGENCY AND IMPORTANCE OF THIS TEACHING TO THE BRIDE OF CHRIST

Dear Bride of Christ, the enemy is already (and will increasingly be) using demonically programmed DID on human spirit and soul level to programme and mind-control human beings in order to prepare them for the coming of the antichrist. We are already living in the age of the antichrist and the happenings that were prophesied in Revelation 13:11 to 18 are imminent. Dear precious Bride of Jesus Christ, go now and buy oil to fill your lamp and even buy extra oil since the darkness around us is increasing rapidly and we should prepare for the coming of our Bridegroom, Jesus Christ.

1. INTRODUCTION

Dissociative Identity Disorder (hereinafter referred to as “DID”) has always been associated with the human psyche (soul dimension) and is also being referred to as “split personality” or “multiple personality disorder” (“MPD”). However, our Lord Jesus Christ, by His Holy Spirit, has taught us (through being obedient to Him in the ministry of inner healing and deliverance) that the enemy is using this primarily psychological phenomenon, in even deeper and cunning ways to keep human beings (including believers in Jesus Christ) in spiritual, psychological and physical bondage.

DID is not merely a condition of the human psyche (as psychologists and others would like to believe) but extends even to the level of the human spirit. Jesus Christ showed us that the enemy also uses DID to keep the human spirit in chains and unable to rise to its full potential, identity and authority in Jesus Christ.

Traditionally, we understood that it was only people who were exposed to Satanic Ritual Abuse (“SRA”) in their lives who had DID, but now our Lord Jesus Christ has revealed by His Spirit that it also extends to ordinary believers with ordinary lives.

This is possible due to demonic DID programming and is essentially a result of the seed of Satan and the nephilim in humans¹ coupled with strong blood line (or generational) curses as well as trauma.

Often this form of demonically programmed DID (on both human spirit and soul level) is mere moderate dissociation and you would perhaps not even know that you have this type of DID since there may not be a definite and clear “switching” between the various DID parts (also referred to as “alters” or “personalities”). To the contrary, the various DID parts will often switch from the one to the other so subtly that both the person with the DID and the people around him or her may not even realise it. Only with very fine and sharp discernment from the Holy Spirit, would you be able to pick up that it is not the real person who is speaking or acting in a certain manner but rather one of the DID parts.

The DID parts on human spirit and soul level will also not necessarily “switch” from one part to another but will merely serve to deceive, confuse, derail, obstruct and ultimately destroy the person on a spiritual, psychological and physical level in every way that it can.

In ministering to reborn believers in Jesus Christ, we have come across people who have already undergone many lengthy deliverance sessions but still fall back and find it difficult to live in complete victory. We found that it is as if they constantly move two steps forward, just to fall back three steps again and then move three steps forward, just to fall back two steps again.... It just seemed to be a lifelong and endless battle that may even cause some believers to get discouraged (and some may even lose their faith in Jesus Christ).

We continuously ask our Lord Jesus Christ for spiritual keys to set the captives free². He showed us that the enemy indeed has another “*ace up his sleeve*” or, put differently, that there is another frontier of bondage by the enemy that we have not yet ventured into and that is: “*Demonically programmed DID parts on human spirit level.*” This is yet another strategy by which the enemy seeks to prevent humans (and especially believers in Jesus Christ) from gaining complete victory in Him.

Although we have obtained a basic understanding of the more traditional SRA-related DID through other ministries, the bulk of the content of this teaching is as received directly from the Holy Spirit in the ministry room. If this teaching on DID therefore appears to be a bit unconventional and very different from what you have so far learned on the subject, then know that it is because we have not simply tried to

² Isaiah 61:1 and Luke 4:18

reintroduce the teachings of other ministries on DID but have been taught by the Holy Spirit from the angle of our own experience whilst setting the captives free. We have also seen the positive fruit over a period of what the Holy Spirit teaches us and, therefore, we have the confidence, mandate and authority to share this revelation with the Body of Jesus Christ.

Our Lord Jesus' second coming is near and there is simply no time to waist. The Bride must be set free from her bondages to Satan in order to meet her Bridegroom. We hope that this teaching will assist the Bride and that she will be able to become spotless and without blemish.

2. A QUICK RECAP ON THE NATURE OF PSYCHOLOGICAL DISSOCIATIVE IDENTITY DISORDER (“DID”)

In brief, dissociative identity disorder (or “DID”) is a phenomenon that is widely accepted to be a psychological disorder and was previously called “**split personality**” or “**multiple personality disorder (“MPD”)**”. It is, in general, considered to be caused by extreme trauma such as satanic ritual abuse (“SRA”) that causes the human psyche or “brain” to “split” into one or more separate personalities that are also referred to as “**parts**” or “**alters**”.

Amongst these **parts** one then usually finds a “**host**” who is the main part that usually controls or dominates the other parts. Amongst the other DID parts one may usually also find a “**protector**” whose role and function it is to protect the person, the parts and the whole DID system in the person (e.g. a vicious dog DID part that may even physically bite someone that comes too close to the person, just as a protective dog would protect its owner). These DID parts then usually all play a role in trying to protect the **core personality** (also referred to as the “**ID book personality**”) from further hurt, trauma, pain and harm in general. The core personality is essentially the main personality of the person. When DID parts integrate, they integrate back into the core personality of the person, resulting in increased healing, restoration and wholeness.

The “**DID system**” is the whole structure of DID parts or alters in the person. This system differs from person to person. In one person there may be a spiritual “dungeon” containing various DID parts and in another person the system may take the form of one or more spiritual “castle” with various DID parts inhabiting it.

The process when one or more of the parts or alters come to the fore and takes control in a person is called “**switching**”. In people with severe or extreme DID, you would easily be able to see when the person switches from one alter to the other. However, in the case of mere mild dissociation, it is not that easy to see when a person switches from one alter to the other.

“**Mild dissociation**” is when a person’s personality or “brain” splits due to moderate or mild trauma but also due to pure demonic programming. The various DID parts or alters that are then formed are not as prominent in their operation but are still each

a separate part of the person's core personality (or soul dimension). In most of these cases of mild dissociation, the parts do not necessarily have different names from the core or ID book personality. Instead, they often have the same name but merely act as different personalities from the core personality.

The various alters or parts usually react to **"triggers"** namely certain things that may happen, that are said, seen or observed through any of the senses which then causes the particular part to be activated and to come to the fore.

3. DIFFERENCE BETWEEN DID AND DSC'S

The main difference between the phenomenon "DID" and "DSC's" (demonic soul copies³) is that with DID the part or alter is a part of the human psyche itself (that splits off from the core personality) whereas a DSC is essentially a complete copy of another person's soul dimension who actually lived on earth (and is currently deceased) or of a person's soul dimension that is still alive. A DID part therefore splits off from the core soul dimension of the person that you are ministering to, whilst a DSC is a copy of a complete soul dimension of another living (or already deceased) person that you then find in the person you are ministering to.

A fairly easy way to differentiate between the traditional or SRA-type of DID and DSC's is also that a DID part is usually a fictitious person (who has never lived on earth but who believes that it actually now lives) and a DSC is usually a copy of the soul dimension of someone who actually lives or has lived on earth. (However, as we proceed with this teaching, you will see that the "plot" does "thicken" and that there are exceptions to the basic rules.)

The other important difference between DID and DSC's is contained in the way one should deal with it. A DID part needs to be integrated into the core personality or psyche of the person (part of the inner healing process) whilst a DSC needs to be taken out of the person by Jesus Himself (part of the deliverance process).

Lastly, the Holy Spirit has taught us that DID parts are on both human spirit and human soul level (contrary to the traditional belief that they are only to be found on the level of the human psyche) whereas DSC's are only to be found on the level of the human psyche or soul dimension.

NB: THERE IS DEFINITELY A DIFFERENCE BETWEEN THE TWO SPIRITUAL PHENOMENA NAMELY DID AND DSC'S. WE FREQUENTLY FIND BOTH DID PARTS AND DSC'S IN THE REBORN BELIEVERS IN JESUS CHRIST THAT WE MINISTER TO.

4. DID ON HUMAN SPIRIT LEVEL

As mentioned above, the Holy Spirit showed us that DID does not only exist on human soul level but also on human spirit level and that the strongest demonically

³ Refer to our complete teachings on *Demonic Soul Copies* ("DSC's") on our web page www.ignitedinchrist.org.

programmed DID parts (with the most potential to harm the individual) are on human spirit level.

We also find confirmation of this fact in the Word of God in that Jesus said to the scribes (in answer to their question about the most important commandment of God) that *“you shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength”*⁴. The “heart” in this context refers to the human spirit. Ask yourself why Jesus would have found it necessary to say that we should love Him with all our spirit, if the human spirit is undivided and always whole? Surely if that was the case, Jesus would only have said: *“You shall love the Lord your God with your heart...”*?

Other than the fact that DID exists on human spirit level, we found that it has many similarities with the DID that we find on soul level. What we often find is that there are many levels or structures of DID on human spirit level, each with its own “host” DID part and other DID parts that are being controlled by this host.

The core spirit person is that part of the human spirit that remains after all the splitting has taken place. In a reborn Christian, Jesus Christ, by way of His Holy Spirit, lives in the core spirit person. The parts of the human spirit (that split off from the core) however do not automatically get reborn when the core is reborn in Jesus Christ, since they are separate personalities with totally separate identities and obviously then also their own free will. The DID parts of the human spirit therefore remain in bondage to the enemy (unregenerated) until the person obtains healing and deliverance on spirit level and Jesus, by the power of His blood, sanctifies the parts and integrates them back into the core human spirit.

5. DEMONICALLY PROGRAMMED DID

There are many forms of DID on human spirit level (such as DID caused by trauma, by the shattering of the human spirit due to the impact of the seed of Satan at conception in the womb⁵ and also by rejection if the baby’s spirit at conception knew that he or she was not wanted) but this teaching focuses primarily on the type of DID that is merely due to demonic programming and mind-control, exercised by the various strong men demons to be found on human spirit level.

6. IMPACT OF DID ON SPIRIT LEVEL ON A BELIEVER’S SALVATION

NB: The fact that a reborn Christian has DID on spirit level, does not change or take away from the fact that he or she is saved through his or her belief in Jesus Christ alone.

The core of the human spirit of a reborn believer in Jesus Christ is the determining factor when salvation is at stake since the core human spirit is the so-called “ID Book” personality of the human spirit of the person. Only the decision taken by this core or

⁴ Mark 12: 29 & 30

⁵ Refer to a later teaching still to come.

ID book human spirit is therefore determinable of the salvation of the actual person and not those of the DID splinters or parts of the human spirit (no matter how many or strong they might be).

“Thank you, Lord Jesus Christ, for your grace over all of humanity in that you purchased our salvation for us by your blood on the cross and that nothing, not even our own severe brokenness on each and every level of our being, is able to separate us from your love! What a wonderful assurance and comfort!”

7. CAN A REBORN BELIEVER IN JESUS CHRIST HAVE DID ON SPIRIT LEVEL?

The answer is a most definite “yes” and we find it with all the reborn Christians that we minister to on this level. The reason is that we all inherited the seed of Satan and the nephilim and were therefore all born in sin⁶ and are subject to bloodline (or generational) curses (except if you are fortunate enough to have parents who have already renounced the sins of their ancestors, including the seed of Satan and the nephilim, before you were born). Most believers in Jesus Christ that are already reborn in Him therefore still have DID on spirit level (as well as on soul level).

We frequently find that the human spirit had already split at conception in the womb due to the demonic programming that came through the blood lines (i.e. the spiritual DNA of the person). Most DID parts on spirit level therefore already existed from the person’s conception in the womb and have nothing to do with trauma that the individual experienced during his or her lifetime.

Obviously, one may also find DID parts (even on spirit level) that were formed due to trauma that the person experienced during his/her life, but this type of DID falls outside of the ambit of this teaching.

8. WHAT HAPPENS AT SPIRITUAL REBIRTH IN THE CONTEXT OF DID ON SPIRIT LEVEL?

At the moment that you are reborn in Jesus Christ, the core of your human spirit (the “real you” or “ID book personality”, spiritually) opens up to the Holy Spirit and is circumcised by the Lord Jesus Christ Himself and gets reborn⁷. The Holy Spirit then comes to live in the core of your human spirit and makes it a new person in Jesus Christ.

The various DID parts of the human spirit however do not automatically get reborn when the core gets reborn (since they have been separated from the core and each one has a separate and individual identity and free will of their own). We often therefore find demons (of high authority) in the various DID parts on human spirit level.

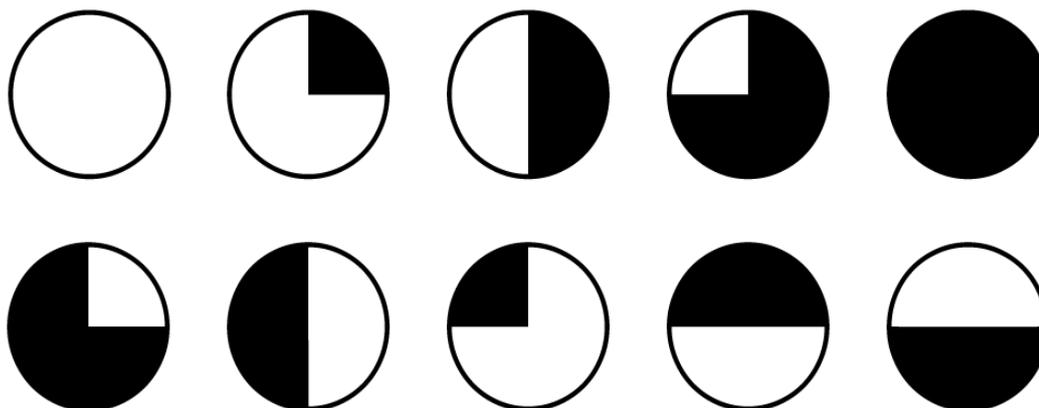

The human spirit may therefore be illustrated by any of the pictures below. The spirit of a believer in Jesus Christ with no DID parts would be illustrated by the first picture to the left in the first row and the unregenerated (not reborn) spirit of a human being

⁶ Psalm 51:5

⁷ John 3:1–21; Col. 2:11

by the last illustration in the first row to the right. The white part therefore illustrates the core of the human spirit (where Jesus lives) and the black illustrates the totality of the parts of the human spirit that are unregenerated and still in darkness. The smaller the core spirit person (the white part where Jesus lives) the more the individual would probably struggle spiritually, even after being reborn in Jesus Christ, since the darkness is still contained in the remainder of the shattered human spirit.

Please also keep in mind that the black sections should also be illustrated as being split in numerous (even thousands) of individual DID parts.

A severely shattered and demonised human spirit would obviously cause the relevant believer in Jesus Christ to get very disheartened and may even cause him or her to turn away from Jesus Christ, whilst believing the lie that He does not care or does not even exist. We have recently ministered to a lady (with strong Illuminati blood lines) where the core of the human spirit (that is reborn in Jesus Christ) was merely 10% of the total human spirit (the rest (90%) were made up of shattered DID parts)! Upon realising this, we immediately understood the reason for her lifelong battle against the enemy and the immensity thereof.

9. DID ON HUMAN SPIRIT LEVEL *VERSUS* DID ON HUMAN SOUL LEVEL

The DID parts of the human spirit that we have found so far in reborn believers in Jesus Christ have all witnessed that they have much more power and authority on the side of darkness (since they are on human spirit level) than the DID parts on soul and body level. One DID part of a person's spirit that merely called itself "*Illuminati*" said that they have the "*executive and consulting authority*" whilst the DID parts on soul and body level should merely "*carry out the orders from above*".

We have therefore found that it makes much more sense to deal with the demonically programmed DID in a person from the top down (i.e. to start at the human spirit level) when we call out the relevant DID parts (demonically programmed) and to then ask Jesus Christ to integrate all of the DID parts (on spirit as well as on soul level) back into the core human spirit as well as into the core human soul dimension. You may thereafter continue to minister to the DID parts on human soul and body level that were formed due to pure trauma that the person experienced during his/her life.

We have found that the words of Jesus Himself, where He said that if you have bound the strongmen, you may rob the whole house⁸, are equally applicable to DID, even though with DID you are not working with demons and DSC's but with parts of the human spirit and psyche.

10. SPIRITUAL ROOT CAUSE BEHIND DID ON HUMAN SPIRIT LEVEL

It was surely not part of God's plan and design for humankind that the human spirit should be broken into various parts and that the parts should become demonically possessed and unable to respond to the Holy Spirit. Then how did it come about?

The answer lies in the fact that humans had sexual intercourse with Satan⁹ as well as fallen angels and giants¹⁰ and in that way the seed of Satan and the nephilim entered each human being.¹¹ The seed of the nephilim (or giants) is essentially the seed of the fallen angels (or "the watchers", as they are called in the Book of Enoch).

The seed of Satan and the fallen angels in the human DNA (spiritually, psychologically and physically), gave the right to the enemy (demons of high authority) to, firstly, enter humans at spirit level (already at conception in the womb) and, secondly, to oppress the human spirit, even to the point of splitting it into many separate parts and programming it demonically with separate identities and functions.

It is therefore a combination of the seed of Satan and the nephilim (the fallen angels) coupled with the various strong blood line curses (the sins of our ancestors) in our spiritual DNA that gave the legal right to the enemy to mess with our human spirits (and souls and bodies) in this way.

11. WHEN AND AT WHAT STAGE DOES THE HUMAN SPIRIT "SPLIT"?

This varies from person to person in accordance with his or her own unique spiritual DNA and the relevant trauma that the person has been exposed to in their lives.

We often find that the various demonically programmed DID parts of the human spirit were already "formed" (split off from the human spirit) as early as the person's conception in the womb. However, the demonic programming of these DID parts (with their separate identities) may either have taken place already at conception in the womb or at a later stage when some or other "trigger" occurred (e.g. a curse was spoken, or trauma happened).

You may immediately ask: *"But how can this be? This is crazy! Why does God allow this?"*

The answer once again lies in the particular person's spiritual DNA (which means the various blood line curses that came into the person at conception due to the sins of his or her ancestors) as well as the seed of Satan and the nephilim (fallen angels) that

⁸ Mat. 12:29, Mar. 3:27 & Luke 11:21

⁹ Genesis 3

¹⁰ Genesis 6:4

¹¹ The parable of the wheat and the tares – Matthew 13.

entered each human being as a descendant from Adam and Eve through the blood lines.

The blood line curses that we found to be the most powerful when it comes to DID on spirit level are witchcraft, blood covenants with Satan, blood sacrifices, child sacrifices, sun god and moon goddess worship (including Freemasonry and very importantly the Illuminati) and the curse of the seed of Satan and of the Nephilim (fallen angels). These are deadly combinations and cause *havoc* in respect of the human spirit, soul and body.

One of the most powerful and destructive blood line or generational curses that, together with the seed of Satan and the nephilim, has a devastating effect on the human spirit, soul and body is that of the Illuminati. We have found some of the most widespread and powerful levels of demonically programmed DID on spirit as well as soul level in people with strong Illuminati blood lines.

However, we have also found DID parts on spirit level that tell us that they have formed (split off from the core human spirit) at a particular time during the person's life due to trauma or other spiritual triggers such as an agreement made with Satan or a ritual that the person went through (e.g. any of the rituals in Freemasonry that masons knowingly or unknowingly participate in, in order to be elevated to the next degree).

12. IDENTITY OF DID PARTS ON SPIRIT LEVEL

Here comes the part of which I said above that "the plot thickens". We are familiar with the SRA type of DID (caused mostly by severe trauma) where the DID parts are mostly fictitious personalities (that never actually lived on earth, although they may be convinced that they are indeed alive and are true and separate human beings in their own right). However, with the demonically programmed type of DID on human spirit level, we find that these DID parts may either be fictional personalities or personalities of people that lived and have already died or of people who are still alive!!

Examples of DID parts that we have already found on human spirit level in believers in Jesus Christ:

- Alistair Crowley, Anton Zandor LaVey, Michael Aquino (all very senior Satanists when they lived on earth¹² – Anton Zandor Lavey was the writer of the Satanic Bible);
- Albert Pike (senior Freemason who wrote "Morals and Dogma") as well as Albert Mackey;
- The Witch of Endor (of the Bible¹³);

¹² Michael Aquino might still have been alive at the time this teaching was written.

¹³ 1 Samuel 28:7

- Senior Freemason pastors of large charismatic churches (both still alive and already deceased¹⁴);
- Queen Jezebel, Queen Athaliah, King Ahab etc. (of the Bible)¹⁵;
- The person's own father and/or mother (who abused him or her when he or she was a child) and who is still alive;
- Ancestors of the person, already deceased but who were in some or other unrepented sin such as Freemasonry, the Broederbond, witchcraft, sexual immorality, alcoholism etc.

In this regard you should indeed try to keep all your spiritual “pigs in the parlour” since it can truly become very confusing. Although these personalities may have lived on earth, they will quickly tell you that they are not DSC's but DID parts and that they are a part of the person's spirit person.

The way to explain this is that it is a different form of DID than your classic SRA-type where the DID parts are almost always fictional in their identity. This type of DID can best be described as demonically programmed DID. It appears that the enemy achieves this by splitting the spirit person by way of witchcraft and then by “programming” the DID part to become the personality of someone over which he (the enemy) has legal right. Put differently, it appears that when the enemy has the right to someone's soul dimension who have died without Jesus Christ (e.g. presumably Alistair Crowley) or that is still alive but is demonically oppressed to some extent, he may programme the personality of that person into the DID part of the believer's spirit by way of witchcraft and mind-control.

We know that this is a tough one for believers to swallow but trust us: This is what we find repeatedly in the believers in Jesus Christ that we minister to.

13. TRIGGERS THAT MAY CAUSE THE HUMAN SPIRIT TO SPLIT

First and foremost, we find that the human spirit had already split at conception in the womb into various parts due to the spiritual impact of the seed of Satan and the nephilim (fallen angels) in the person's spiritual DNA. These DID parts then got programmed by the strong man demons on spirit level (that came in on spirit level due to the various blood line or generational curses).

Other triggers that we have found so far to be reasons for the human spirit to split into parts include:

13.1 Trauma experienced by the human spirit during the person's lifetime

Maybe you have heard someone say that you should be careful not to “break” someone's “spirit”. We found that severe trauma experienced by the human spirit such as severe rejection, brokenness, loss, extreme emotional and or spiritual pain

¹⁴ They formed and were demonically programmed as DID parts in the believers since the believers submitted under their spiritual authority by attending their churches.

¹⁵ 2 Kings

etc. may be a cause for the human spirit to actually “split” into one or more parts. Again, perhaps this would not have been possible, was it not for the seed of Satan and the nephilim (fallen angels) coupled with certain strong blood line curses in the spiritual DNA of human beings.

Examples of when a person’s spirit may perhaps “break” and a part may split off from the core spirit person are where the person, as a child, underwent serious trauma when he or she was sexually molested or even raped. However, the human spirit may also split due to other trauma such as severe rejection for example when the parents of the child got divorced or with a huge sense of huge loss e.g. when a young child’s parent dies etc.

13.2 A decision to follow Satan or participation in satanic rituals

We once ministered to a young man who, in his youth, rebelled against God and wrote his name (in a moment of sheer desperation and rebellion against God) in a pentagram. The DID part of his human spirit that came out said that he (the DID part) is a satanic high priest with the name “Xavier”. The DID part said that it split off from the core spirit person and received its identity when the young man “sold his spirit” to Satan by signing his name in the pentagram.

When someone, knowingly or unknowingly, takes part in a religious ritual under the wrong authority (i.e. that does not take place under the exclusive spiritual authority of Jesus Christ), it may also cause the human spirit to split. This is due to the spiritual power of a prophetic action (whether on the side of the Light (Jesus Christ) or on the side of darkness). When a believer would, for example, get baptised by full immersion in water in a church where the spiritual authority is wrong since the pastors are Freemasons, the believer may be under the impression that he or she got baptised into the death and resurrection of Jesus Christ, the only living God, but in reality what happened is that the believer got baptised into the false Jesus (Lucifer) who is the god of the Freemasons. We have found this to be the case in people that we ministered to. The DID part on spirit level that was formed due to the baptism had the name of the believer herself but said that it is completely spiritually lame and unable to operate in the gifts of the Holy Spirit. Lucifer possessed this DID part on spirit level in the believer and had to be cast out before the DID part could integrate with the core spirit person. This is another disturbing example to believers of the dangers of the wrong spiritual authority.

Our Lord Jesus Christ also showed us that this is exactly what happens to people who are introduced into Freemasonry and are taken through the various rituals pertaining to the different levels of Freemasonry. The person introduced to Freemasonry may

very well initially be quite innocent and may think that he or she is merely joining a Christian “brotherhood” or organisation that focuses on good works in the community. The person may also not realise that he or she is taken through a demonic ritual or that, by signing some agreement, the enemy will gain spiritual ground in his/her lives. The enemy, however, knows exactly what the spiritual meaning of the ritual is and when the believer takes part in it, the demons gain the right to split the believer’s human spirit and to programme it demonically. Ultimately, when this person reaches a certain level in Freemasonry (probably the 33rd degree), it may very well be that there is no core spirit person left. This perhaps explains how people (who were once reborn Christians) gradually lose their faith in Jesus Christ and ends up being full-blown Luciferians. This also explains to us why each DSC of a Freemason of the higher levels that we have found in people that we minister to says that he or she is unable to come out of Freemasonry, even if they wanted to. It must be the DID programming on both spirit and soul level that increases with every degree of Freemasonry. The ultimate effect of all this demonic splitting and programming is that the individual is gradually taken into complete bondage to Lucifer and eventually becomes totally spiritually caged to the extent that he or she may even totally lose his/her faith in Jesus Christ.

The reason why God allows the reborn human spirit to be split and programmed by the enemy is that a demonic ritual usually results in spiritual “trading”. The individual believer by his or her own free will allows the enemy to gain ground by way of the demonic ritual (usually in return for power, esteem, position or riches). This is where the saying comes from that you should never “*sell your soul (spirit) to the devil*”. Something is indeed given away by the believer (namely a part of his/her spirit person (and soul)) in return for whatever the individual hoped to gain.

13.3 Curses spoken

We have come across DID parts on spirit level of believers who were senior Illuminati, Freemasons and Satanists (that are still alive) and who tell us that they were programmed as DID parts on spirit level by the enemy due to strong curses that were spoken over the believers in Jesus Christ (overall the end-time warriors of Jesus Christ that are arising). It became clear to us that (due to the seed of Satan and the nephilim (fallen angels) in the human race, coupled with strong blood line curses) the human spirit had already split into many parts at conception in the womb. Some of these DID parts of the human spirit purposefully remained dormant or unprogrammed by the demons. These dormant DID parts on spirit level then get activated and programmed by these curses that are spoken (that act as DID “triggers”). These DID parts on human spirit level then start to operate from the time that the curse is spoken.

This should be of serious concern to every believer in Jesus Christ who was part of a ministry where “survivors” from Satanism were ministered to. We have found that (due to the curses spoken by the satanic covens who wanted these “survivors” back) DID parts on spirit and soul level of these believers (that already split off at conception in the womb and remained dormant up and until then) were demonically programmed as a result of the curses spoken (the curse is the “DID trigger”). We have found DID parts in the believers that we ministered to that have the identity of the actual satanic high priest as well as the other members of the satanic coven who spoke the curses!

13.4 Unholy soul ties coupled with witchcraft

An unholy soul tie with a person, coupled with witchcraft such as manipulation and control, may be a sufficient trigger for DID programming to take place on spirit level and before you know it, the person with whom you have the soul tie may be the host of a whole range of DID parts on human spirit level. This DID host may then hold various DID parts of yourself (that split off due to the witchcraft) captive and may control them through witchcraft, mind-control and caging.

We often find this in people who are divorced and went through trauma in their previous marriage. Often the ex-husband or wife is then still a host DID-part in the believer (on spirit and soul level) and controls a whole range of other DID parts having the identity of the traumatised or abused person him- or herself. This explains to us why some people continue to struggle throughout their life to gain freedom from the trauma and abuse suffered by them in a previous marriage.

This may also explain why, for example, a wife that are repeatedly abused by her husband, struggles to break free from the abusive relationship and cycle of repetitive abuse.

14. STRONG MEN AT HUMAN SPIRIT LEVEL INVOLVED IN DID OF THE HUMAN SPIRIT (AND SOUL)

Our Lord Jesus Christ has shown us that certain demons of very high authority (“strong men”), at spirit level, are almost always involved in DID splitting and programming on spirit level. They are:

- The spirit of DID;
- The spirit of Programming;
- The spirit of Mind-Control;
- Spirits of Witchcraft (that work specifically with DID); and
- The spirit of Caging.

Various other demonic strong men on spirit level, depending on the spiritual DNA (most prevalent blood line curses) of the person, may then also be involved in the DID programming on spirit level. With each person that you minister to, there would

therefore be a differentiation in the strong men (demons) involved in the DID programme.

According to our current knowledge, as revealed to us by the Holy Spirit –

- **The spirit of DID** has the function of splitting the human spirit the minute the relevant trigger occurs (e.g. the trauma or even the entering of the blood line rights coupled with the seed of Satan at conception);
- **The spirit of Programming** programs the individual parts that split off from the core spirit (and soul) according to the particular DID programme and the spiritual DNA of the person (i.e. the rights that the demons have over the person through the blood lines);
- **The spirit of Mind-control** controls these DID parts to do exactly as they have been programmed to do;
- **Spirits of Witchcraft** then also play their part in that some of the individual parts may even be programmed to be in witchcraft (i.e. to be a witch, a warlock, a satanic high priest etc.); and
- The “cherry on top”, according to the enemy, is then to call in **the Spirit of Caging** to also cage one, more or all these parts, thereby sealing off their captivity in a stronger way.

Other strong men on spirit level (according to the particular spiritual DNA of the person) such as the Spirit of Illuminati, Jezebel, the Deaf and Dumb spirit etc. will then work together with these DID strong men (demons) in order to possess the DID parts. These other strong men will then ensure that the DID parts fulfil their role exactly in accordance with their individual programming and the various demonic strongholds that came through the blood lines (e.g. of the Illuminati, Freemasonry, Jezebel, Deaf and Dumb spirit etc.).

15. DID PROGRAMMING ON SPIRIT AND SOUL LEVEL

We found that most of the DID on spirit level is due to demonic programming and witchcraft caused by the concerted effort of various strong man demons. The demonic DID programme or “blueprint” in respect of each person is already “downloaded” into the individual on spirit level at conception in the womb by demonic forces and we call it the “DID spiritual motherboard”.

Our Lord Jesus Christ has shown us that DID on **human spirit level** essentially works with the following:

Strong men spirits of DID, Programming, Mind-Control, Witchcraft, Caging
According to a DID spiritual motherboard
Various DID programmes (according to the spiritual DNA of the person) each with their unique DID triggers
Various layers of DID , each with their host and other DID parts under them (according to the DID programmes)
Unprogrammed DID parts that lay dormant and wait for the appropriate trigger

We should therefore always remember to cancel the DID motherboard, each DID programme pertaining to every demonic stronghold and every DID trigger (on spirit, soul and body level) in the name of Jesus Christ and by the power of His blood. It is the spiritual DID motherboard that enables the whole DID system to carry on and it creates the possibility of continued splitting of the human spirit (and soul) even after the parts have been integrated into the core spirit person by the power of the blood of Jesus.

The enemy also keeps back-ups of these DID programmes and therefore we should also remember to cancel the back-up programmes with the blood of Jesus.

16. DID PARTS ON HUMAN SPIRIT LEVEL HAVE TO BE LED TO JESUS AND CLEANSED BY HIS BLOOD

The DID parts on human spirit level are, as mentioned above, usually unregenerated (not reborn) and therefore may know “about” Jesus but does not necessarily “know” Him. This means that the parts may know who Jesus is and that He exists but have not yet (as the core spirit person did) accepted Him as their personal Saviour and King. We therefore find spirits (demons) of high authority and of every kind in these DID parts on spirit level.

It is therefore firstly necessary that (as with DID on soul level) these DID parts on spirit level should invite Jesus in and should allow Him to regenerate them. Each DID part on spirit level should therefore first be reborn in Jesus Christ before it would be able to integrate with the core (the same principle applies for DID on soul level). After the part has been reborn into Jesus Christ, we then also must cast the demons out of the DID part and should ask Jesus to wash them clean with His blood (sanctify them completely).

Only when the part is completely under Jesus’ authority and washed clean by His blood, will it be ready to integrate into the core spirit person.

17. DID PARTS ON SPIRIT LEVEL THAT ARE IN WITCHCRAFT OR THE OCCULT

We often find (due to blood line curses of witchcraft coupled with blood sacrifices and blood covenants with Satan by the ancestors) that the enemy gained the right to programme some of the DID parts on spirit level to be in witchcraft e.g. as a witch, as a warlock, a satanic high priest or just an individual with witchcraft abilities (such as manipulation, control, speaking curses, divination, witchcraft by way of crystals, spiritual poison etc.).

This obviously has a serious effect on the believer in Jesus Christ and acts as a huge open door or portal for witchcraft to influence the person’s life. Have you perhaps wondered why curses spoken by those in darkness still often influence reborn Christians? One of the reasons is that DID parts on spirit level (that are programmed

by the enemy to be in witchcraft) act as spiritual “portals” or active spiritual “magnets” and “open doors” through which a curse may “land” or fall” on the believer¹⁶.

18. DID PARTS ON SPIRIT LEVEL THAT ARE PROGRAMMED TO BE NEPHILIM (OR HYBRIDS)

The downloaded DID programme in a believer in Jesus Christ often include programming of nephilim and hybrids resulting in some of the DID parts on spirit level having the identity of a nephilim or a hybrid, even the identity of some of the fallen angels (“watchers”) that we read of in the Book of Enoch!¹⁷. This will especially be the case if the seed of Satan and the nephilim (the fallen angels) in the blood lines of the person is very strong and prominent. However, you may expect to find this in most believers since we all have the seed of Satan and the nephilim (the fallen angels) in our spiritual DNA and we are all descendants of Adam and Eve.

19. LEVELS OF DID ON SPIRIT AND SOUL LEVEL PERTAINING TO ALMOST EVERY LAYER OF BONDAGE IN THE BELIEVER

We have found in ministry that almost every layer of bondage is to be found in a specific believer on soul and body level repeats itself on spirit level (i.e. the strong men) and then also in the DID programming (both on spirit and soul level).

Let us take a few examples: We know that there is a complete stronghold of the bloodline curse of sun god worship¹⁸ consisting of Athaliah, Jezebel, Ahab, the Baäl priests, Baäl etc. in most believers (especially due to Freemasonry and sun god worship in the ancestry). This stronghold is to be found on the soul and body level of a believer by way of both demons and DSC’s by these names and functions. However, what we found is that there would, in all probability, then also be a complete host of strong men in accordance with this stronghold on spirit level coupled with a complete layer of DID on spirit as well as on soul level consisting of the complete stronghold of Athaliah.

Similarly, we found Kundalini, Leviathan and many other demonic strongholds in DID parts on human spirit level, for example a dragon hybrid DID part that claims to be the host of the DID parts working with the stronghold of Leviathan on spirit level. Similarly one may expect to find a complete layer of DID on spirit and soul level consisting of the complete demonic stronghold of the Queen of Heaven, Freemasonry, Illuminati, Deaf and Dumb spirit, Kundalini etc. (again in accordance with the particular spiritual DNA of the person that he or she inherited from their ancestors).

¹⁶ Proverbs 26:2

¹⁷ We indeed found this in believers that we ministered to!

¹⁸ Refer to our complete teaching on *The evil stronghold of Athaliah*.

20. DID PARTS ON SPIRIT LEVEL DUE TO STRONG FREEMASONRY AND ILLUMINATI BLOOD LINES

In people who are the direct descendants of Illuminati (including Freemasons) we often find DID parts on spirit level that claim to be certain well-known members of royal families, such as e.g. Queen Victoria, Queen Elizabeth, King Henry etc. Due to the strong curse of both the Illuminati and Freemasonry, the enemy therefore gained the right to programme these DID parts with the personalities of these royals. Often the function of these DID parts on spirit level (but also on soul and body level) would then be to introduce the person to Freemasonry and the Illuminati and to ensure that they follow their calling on the side of darkness, namely to achieve a senior position in the Illuminati.

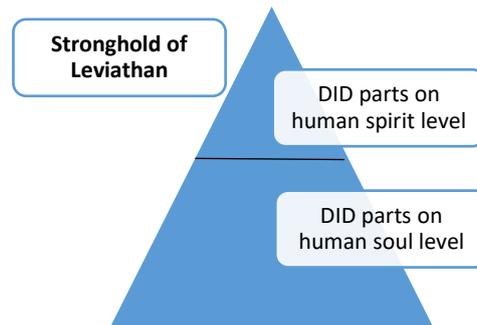

21. MIRROR IMAGE – SPIRIT LEVEL DID *VERSUS* SOUL LEVEL DID

Our Lord Jesus Christ showed us that we would usually find a “mirror image” of every layer of DID that are on spirit level also on soul level. For example, let us say we find a host DID part on spirit level of a very powerful witch that once lived named Hecta, the likelihood of finding that same witch as a host DID part on soul level is almost 100%. That would be similar in respect of the other DID parts on spirit level with the only difference that there would be multiplication on soul level (i.e. more DID parts working within that level of DID on soul level than on spirit level).

Our Lord Jesus Christ has taught us that the DID on human spirit and soul level works like a pyramid structure with the stronger DID parts on human spirit level and the weaker ones on human soul level. However, the strength of the DID parts on human spirit level does not lie in their numbers but rather in their level of authority. The DID parts (of the same stronghold) on human soul level would not individually be as strong as those on human spirit level but their strength would be more in their numbers than in their level of authority.

The total number of DID parts of a certain demonic stronghold (e.g. Leviathan) on spirit and soul level may perhaps be illustrated as follows:

Our Lord Jesus Christ has shown us that the most effective way of dealing with demonically programmed DID is to deal with the particular layer of DID parts on spirit level (e.g. a particular layer of DID that works with rejection) simultaneously with the layer of DID of that particular stronghold (e.g. rejection) on soul and body level (the mirror image).

22. NATURE OF THE DID PARTS ON HUMAN SPIRIT LEVEL

The following are some of the possibilities relating to the nature of the DID parts on spirit level that we have found so far:

- The DID parts may be men, women, children or even animals (each with their own unique but fictional personality e.g. one may be a prostitute, the other a young boy and the other a wolf);
- Often the names of the fictional DID parts may relate to the bondage that they keep in place i.e. “Shame”, “Darkness”, “Rejection”, “Inferiority” etc.
- The fictional DID parts may also be programmed by the enemy to be in the occult (e.g. a “satanic high priest” or a “witch”) or even to be a nephilim (half human and half demon) or a hybrid (a combination of a demon, human and an animal);
- The demons may even programme the DID part to be a person that once lived or that is still alive. In a woman that we ministered to, a DID part on spirit level came out and said his name is “Edward”. When we asked who he is and what he is responsible for, he answered that he is a king from the British royal family. He confirmed that he lived on earth but that he is not a DSC but a DID part on human spirit level that was programmed by the enemy with his personality. Upon investigation afterwards, we found that a British king (called Edward the VIII) indeed lived and reigned as King of the British Empire in 1936. Another example found in the same woman was “Queen Isabella” of the Spanish inquisition (1478). She admitted that she once lived on earth but that she was now a DID part in the woman we ministered to. Again, it must be that the enemy had control over the soul dimension of Queen Isabella of Spain (due to the curse of the Illuminati) and could therefore demonically programme her personality into the DID part on spirit level of the woman we ministered to (by way of witchcraft). The enemy apparently had the right to do this due to a strong generational curse of Illuminati in her blood lines;

- Another possibility that we have already found is that the enemy is able to programme the personality of a family member (or someone that abused the person) into one or more of the person's DID parts on spirit level. This is a real shocker and we have found this to be the case especially where e.g. a child was molested or abused by his/her own father or mother or where a grandfather was very senior in the Illuminati, the Broederbond or Freemasonry. These DID parts may appear to be very similar than a DSC (but remember that they are not). This family member remains a DID part on spirit and soul level that was merely programmed by the enemy with the personality of the family member (e.g. the father who abused the child who has indeed lived or is still alive!);
- Then there may also be several DID parts of the person that you are ministering to him-or herself. These DID parts may have been programmed by the enemy to keep the person you are ministering to in bondage of e.g. rejection, unhealed trauma, an orphan mentality, financial poverty, infirmity etc.; and
- Lastly you may even find DID parts that are nameless and without their own separate identity that tells you that they are still dormant (as yet without any functionality) and that they are merely waiting for a trigger to be programmed by the enemy at the right time.

These are just some examples and the possibilities are endless.

23. NATURE OF THE DID STRUCTURES TO BE FOUND ON SPIRIT LEVEL

We have so far found that there may be more than one level of DID on spirit level. Often the various levels of DID relate to the various levels of bondage in the person e.g. a level of DID relating to rejection and hurt (sun god worship including Athaliah, Jezebel and Ahab), another level relating to witchcraft (e.g. the Queen of Heaven including Lilith, Jezebel and Hecate) and yet another level relating to pride (e.g. Leviathan, Ziz and/or Behemoth) etc.

Then there may also be DID levels of different structures on spirit as well as soul level e.g. a straight-line structure of DID, a pyramid structure etc.

24. EFFECT OF DEMONICALLY PROGRAMMED DID ON SPIRIT LEVEL ON THE HUMAN SPIRIT, SOUL AND BODY

This strategy of the enemy to keep the children of God (and humanity in general) in bondage is really extremely cunning and sly since with DID (especially on spirit level) the enemy uses a part of your own spirit person (that came from God) against you.

As the human spirit is intended by God to be in the highest authority in a human being (i.e. above the soul and body), anything in the spirit DID parts would obviously have much more authority on the side of darkness (than anything on soul and body level, including DSC's) to keep the person in bondage.

We found that the emotions and thoughts of the various DID parts on spirit level (for example bitterness, unforgiveness, self-hatred etc.) have a direct effect on the believer's actual spirit, soul and body. This may explain why a believer who would

testify that they really no longer reject and hate themselves, still suffer from certain auto-immune diseases such as rheumatoid arthritis, multiple sclerosis, lupus etc. and why someone who does not have any wilful unforgiveness and bitterness still suffer from diseases such as breast cancer etc. It therefore seems that the spiritual root of these illnesses and infirmities is still being held captive in the DID parts on spirit and soul level and it is from here that it still influences the actual person in spirit, soul and body.

These DID parts on spirit level may also have a very oppressive effect on the core human spirit as such. Let us for example take a DID part that is programmed to be in witchcraft and that constantly speaks curses against the core spirit person. The result of this may be that the core spirit of the person finds it difficult to take up his or her authority in Jesus Christ, to exercise the gifts of the Holy Spirit and to hear his or her calling from God!

25. HEALING OF DEMONICALLY PROGRAMMED DID ON SPIRIT (AND SOUL) LEVEL – THE PROCESS

The Holy Spirit showed us that the following steps should precede the process of integrating the individual DID parts on spirit (and soul) level with the core (and soul) spirit person:

25.1 “Prayer and fasting” (preparation of the spiritual ground)

The spiritual ground for the healing of DID on human spirit and soul level needs to be well prepared and this would usually include the following:

- The person should be truly reborn as a believer in Jesus Christ and be baptised as a believer by full immersion in water;
- Repentance of all known and wilful sin (including idolatry) and the turning away from it;
- Forgiveness of others, self and God;
- Inner healing from trauma, rejection, hurt etc. by the power of the Holy Spirit and the power of the blood of Jesus;
- All known bloodline curses (including the seed of Satan and of the nephilim) should be repented for, renounced and cancelled in the womb at conception so as to take the legal rights of the enemy away and also to weaken the various demonic strongholds that found its way into the person through the blood or generational lines¹⁹.

25.2 Deliverance of the human spirit from the strong men involved in the DID programme

The DID parts of a certain stronghold (e.g. Athaliah, Jezebel and Ahab) were formed as a result of (and draw their strength from) their respective strong man demons on spirit level. It therefore follows logically that you should first deal with the strong men

¹⁹ In this regard our various teachings that are available on DVD and hard copy on the internet (www.ignitedinchrist.org) are extremely helpful in preparing the spiritual ground for the deliverance and healing to follow. We would strongly recommend that these teachings and the accompanying renunciation prayers be studied and prayed before the deliverance and healing process is even started.

before you will be able to rob their house on spirit and soul level (including the various levels of DID). With the relevant strong men gone, it will be much easier to deal with the levels of DID pertaining to the strong men since their demonic power will be greatly diminished.

We should therefore first deal with the strong men listed under paragraph 14 above (refer in this regard to our teaching "*Deliverance for the Human Spirit, the Strong Men*").

When Jesus Himself has taken these strong men away, then remember to cancel the DID motherboard in the name of Jesus Christ and by the power of His blood.

25.3 Addressing the DID on human spirit (and soul) level

With the relevant strong man that stood in charge of the specific DID programme on human spirit level out of the way, you may now proceed to address the actual DID parts of the human spirit (and soul) pertaining to that specific strong man:

- Begin by calling out the host DID part on human spirit level of a stronghold whose strong men were taken away by Jesus (for example the Queen of Heaven). Now, there may be various levels of DID pertaining to this stronghold on spirit level but follow the leading and guidance of the Holy Spirit;
- Ask the host DID part on human spirit level a couple of questions to determine the nature and extent of the relevant DID structure on spirit level. Questions such as:
 - Who are you and what is your name?
 - Are you a man or a woman (or even an animal, a hybrid or a nephilim)?
 - What is your function here in the person at spirit level?
 - How many other DID parts are under your authority and do they have different names?
 - Are there any other levels of DID on spirit level that works with this stronghold? Etc. and as the Holy Spirit leads.
- Ask Jesus to appear in person to these DID parts on spirit and soul level (the host DID part as well as all the others below and next to it). Since Jesus says in His Word that no one can see God and live, they must bow before Him and accept His authority as the only living God;
- Lead the host DID part (as well as all other DID parts under its authority) on spirit and soul level to Jesus and to the point where all the DID parts in this layer of DID accept Jesus into his/her "heart";
- When all the parts working with this host DID part (on spirit and soul level) have converted to Jesus Christ, then return to the host DID part and ask permission that Jesus may integrate each DID part in the whole layer of DID with the core spirit and soul person;
- Since the DID parts on spirit level usually each have a mirror image on soul and body level, you may also deal simultaneously with the same level of DID on soul and body level;

- If the host DID part of this particular stronghold of DID (e.g. Queen of Heaven) gives its permission, then ask all of the DID parts of this stronghold (on spirit and soul level) to pray with you and to ask Jesus to integrate them with the core spirit person and the core soul dimension ;
- After dealing with this level of DID on spirit as well as soul level and having it integrated with the core, deal with the other levels of DID (if any) by calling the host of the next level out (e.g. those that work with the stronghold of the Deaf and Dumb spirit) and carry on until the Holy Spirit confirms that there are no more DID levels and parts working with that stronghold. In order to establish whether there are still more levels of DID on spirit level, one may ask a DID host whether the believer's spirit person will be whole when this level of DID has integrated. Usually you will then get an answer such as *"no, approximately 15% of the spirit person is still in parts"*. Then you will know that you should continue to call out more levels of DID on spirit level.
- After the integration of the DID parts pertaining to a specific layer of DID on spirit and body level has taken place, remember to always cancel the DID programme pertaining to this particular demonic stronghold (also the back-up programs) and to de-activate all DID triggers (that work with this DID programme on spirit, soul and body level) with the blood of Jesus.

26. THE ENEMY'S END-TIME STRATEGY WITH DEMONICALLY PROGRAMMED DID ON HUMAN SPIRIT LEVEL

26.1 Spiritual persecution of the Bride of Jesus Christ

The enemy uses DID and especially the demonically programmed (or yet unprogrammed or dormant) DID parts on human spirit level to persecute believers in Jesus Christ. Any believer in Jesus Christ who is of the view that Christians in certain countries (such as South Africa) are not being persecuted for their faith, needs to think again. Our persecution is not in the flesh but indeed in the spirit. This spiritual war against the Body of Jesus Christ worldwide is much more dangerous since the enemy is not seen, remains largely undetected and infiltrates the spirits, minds and bodies of believers in Jesus Christ without them even knowing or realising it!

What happens (as you are reading this teaching) is that certain high-ranking members of the occult are constantly speaking curses (coupled with high-level rituals and blood sacrifices) over reborn believers in Jesus Christ (i.e. the Bride of Jesus Christ worldwide). These curses act as the triggers that are intended to activate the unprogrammed (dormant) DID parts on human spirit and soul level and even in believers in Jesus Christ. These DID parts are then programmed by way of demonic power and witchcraft (remember in many believers in Jesus Christ the strong men demons on spirit level have as yet remained unchallenged) with the identity of certain senior members and representatives of the antichrist on earth (even some that are still alive and that are very senior Jesuits, Knights Templars, Freemasons, Illuminati and even out-and-out Satanists and high-level witches).

We also found that certain curses of murder, death and destruction that are spoken by senior members of the occult activates and programmes DID parts on spirit level in believers in Jesus Christ to have the personality of high-level “assassins” (both that are already deceased and that are still alive!) These assassins have the strategy and instruction from their “handlers” (high level members of the occult) to “take the believer out” in any way possible.

We had an actual case where the believer dreamed that an assassin waited for her next to a highway under a bridge and then shot her. When she woke up, she physically felt the pain of the bullet in her and had to plead the blood of Jesus over her repeatedly before the pain subsided. The next morning there was blood on the believer’s cushion!!²⁰. This believer thereafter felt as if she was alive but also simultaneously dead (almost like the “walking dead” or a “zombie” would feel). When we ministered to this specific believer a day or so later, we found a DID part on spirit level (but also on soul and body level) of a high-level assassin that tried to “eliminate” the person. The reality is that, if the attack would not have been dealt with spiritually, it may eventually also have influenced the person on soul and body level in the form of psychological and physical illness and even death. These spiritual attacks on believers in Jesus Christ (through DID programming on soul and body level) are very real and we come across it frequently in our ministry. We also foresee that it will increase towards the end of time in believers who do not heed the call of their Bridegroom to wash their spiritual clothes with His blood (i.e. to seek as much inner healing and deliverance as possible).

One of our own team members (a woman) also experienced an attack on herself one evening when she went to bed and laid her head on the pillow. Just as she was about to doze off to sleep, she felt a severe blow to her head, just between her eyes. It was so severe that her head physically jerked backwards on her pillow and she was wide awake and in shock, not knowing what happened. It felt to her as if someone had shot her with a prop-gun (the type of wooden gun that children play with that has a wooden pellet at the front, bound to the gun with a string). She merely prayed and pleaded the blood of Jesus over her and went back to sleep. However, she was unable to sleep well that evening and the next morning she felt “as if a ton of bricks fell upon her”. During a ministry session the next morning, a DID part of an assassin on spirit level came out (in the person that she and her team members ministered to) and admitted that he was also in the woman team member who experienced the attack on her the night before. He was programmed to be an assassin DID part on spirit and soul and body level in all the warriors of Jesus Christ that were arising (due to a curse recently spoken over all reborn believers by senior Illuminati. He admitted that it was him (the assassin DID part on spirit as well as soul level) who tried to “take her out” the night before when she felt the hit on her forehead. The assassin DID part on spirit explained that he shot her in the spirit and confirmed that if it was not for God’s protection over her by the power of His blood, she would not have been alive that morning.

²⁰ A spiritual phenomenon known as “stigmata”

We share this with the readers of this teaching to illustrate to you the reality of the spiritual war that we as believers in Jesus Christ find ourselves in. We hope that believers would realise that they should prepare and seek protection from their Bridegroom Jesus Christ by obtaining inner healing and deliverance by the power of His blood.

26.2 Infiltration of Christian ministries

This is also a very disturbing end-time strategy of the enemy by making use of DID programming, mind-control and witchcraft. Each end-time ministry of our Lord and Saviour Jesus Christ should be very cautious in this regard.

Ex-satanists who approach Christian ministries and churches to obtain help from them are often very dangerous. They are almost always still being mind-controlled and programmed by their coven (by way of DID on human spirit and soul level) and the believers who want to help them often still have various “open doors” spiritually where these curses may actually “fall” or “land”. Before the naïve believers know it, they find themselves totally mind-controlled and DID programmed on spirit and soul level. It may even progress to the extent where these believers conduct murders on behalf of this “ex-satanist” who then actually becomes the “handler” of these DID-programmed believers in Jesus Christ!²¹

The sad thing about this is that these people may indeed be seeking help and are often very sincere in their requests. They themselves are often not aware of the levels and levels of satanic DID programming and mind-control that affect them on both spirit and soul level and that may aim to bring death and destruction to the ministry that was approached.

This strategy is however not only limited to ex-satanists and people who once were actively involved in the occult. It also plays a role in people who may still be part of a cult or church where certain demonic strongholds are prevalent as well as in believers who seek deliverance but who may still have unholy soul ties with people who are in the occult or who are in witchcraft.

26.3 Spiritual caging

The enemy is also using DID programming and mind-control on spirit as well as soul level in believers to spiritually “cage” them. Refer in this regard to our teaching that follows on this one called *Spiritual caging by way of DID*.

²¹ We are sure you will be able to recall events in RSA that were known as the “*Krugersdorp murders*”.

26.4 Fourth revolution and mind-control

A most disturbing fact is that the enemy also intends to programme and mind-control (even believers in Jesus Christ) by making use of technology (ever heard of the Fourth Revolution?) and DID. In this way, believers in Jesus Christ may be programmed and mind-controlled by the enemy through the technology that they are using and the frequencies and energy

fields that are created by it.

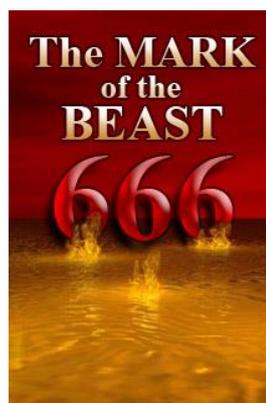

This mind-control by way of technology and DID programming will be so subtle that the believers in Jesus Christ may believe that they hear from God (the Holy Spirit) whilst they are actually being infiltrated and mind-controlled by the enemy through spiritual agents of the antichrist and the counterfeit holy spirit Kundalini.

This is also a method to be used by the enemy in the end-time to deceive human beings and to prepare them for the coming of the antichrist

26.5 Preparing humans for the coming of the Antichrist

Lastly, and perhaps most importantly, we believe that we are now already living in the time of the antichrist (i.e. the time of which is written in Revelation 13 verses 11 to 18 that says *“another beast will be coming up out of the earth...”*). It is said in verse 12 that this beast will cause the earth and those who lives on it to worship the first beast (representative of the antichrist), whose deadly wound has healed.

From verse 13 onwards John describes how this second beast (the antichrist) will perform great signs and wonders (through the counterfeit holy spirit Kundalini) so that he even makes fire come earth in the sight of men. It is people on the earth will be its supernatural signs and that should make an “image” for it. Then it follows that the to receive a mark on their right and that no one would be able have accepted the mark of the name e.g. 666). Dear believer

down from heaven on the further written that the deceived by the antichrist and they will even think that they this beast and should worship antichrist will cause all people to buy or sell except those who in Jesus Christ, we are

beast (or the number of his in Jesus Christ, we are therefore not busy with conspiracy theories, this is end-time prophecy according to the Word of God, the Bible.

Have you ever asked yourself how it would come about that so many people would be deceived to end up worshipping the antichrist and accepting his mark and his number? Amongst other strategies, also by way of demonic DID programming,

witchcraft and mind-control. We are starting to see this all around us. Many people are falling away from their faith in Jesus Christ, many are being deceived in order to think that the false signs and wonders of the Kundalini spirit are from the Holy Spirit (if you worship the Kundalini (counterfeit holy spirit) you are worshipping the false Jesus (the antichrist) often without even knowing it!) Many people in big charismatic churches under the leadership of senior (33rd degree and above) Freemasons are already so deceived that they no longer have any discernment! This is because they became infected with the most dangerous spiritual virus of all time, the Kundalini (counterfeit holy spirit). They follow false prophets and spiritual leaders (who are wolves in sheep's clothing) without even realising how deceived they are.

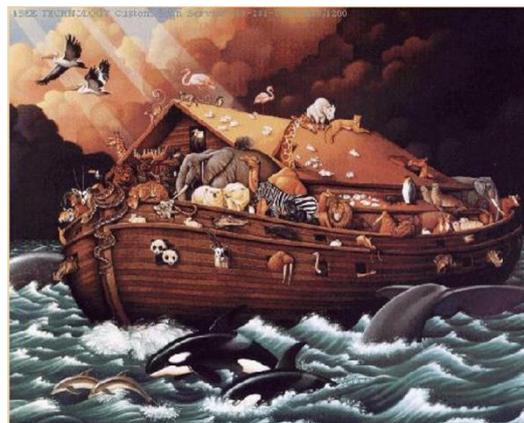

Jesus Himself said in His word that, if it were possible, even the very elect would be deceived²². We experience and see this daily in our ministry in that we find DSC's (and DID parts) of spiritual leaders in believers who say that they are no longer in Jesus Christ but have fallen into deception and are no longer reborn in Jesus Christ. This usually happens since the spiritual leader became a Freemason (or was lured into becoming one by other Freemasons) due to a lust for power, money, status and/or fame.

It is extremely sad to see how even the very elect (people with a great anointing and who were chosen by God to fulfil a specific task in His Body) fall to the wiles of the enemy and become deceived.

DID programming and mind-control coupled with witchcraft plays a very important role in this deception of the elect of God. However, we should always remember that our God is a faithful and righteous God. He would only allow this to happen to His elect when the believer chooses by exercising his or her own free will to bow to Satan and His will.

27. CLOSING

Believers in Jesus Christ therefore need to become serious in their desire for inner healing and deliverance since the **spiritual waters around us in the end time are rising. We will be vulnerable** if we do not get into the **spiritual ark** that God is once again building for us. The spiritual ark consists of the ways and means to be set free on spirit, soul and body level. Only in this way will we be safe against the evil wiles of the enemy against the Bride of Jesus Christ in the end time.

²² Mathew 24:24

Bride of Jesus Christ, **deliverance** and **healing** is not a “*nice to have*” but an **absolute necessity** in the end time. Only by allowing Jesus to wash us with His precious blood will we be able to remain standing and in victory at the second coming of our Bridegroom, our Lord and Saviour Jesus Christ!

Lastly, dear believer in Jesus Christ, **please do not feel overwhelmed by this and other teachings** that explain the depth and ambit of the strategies of the enemy against us. **Our Lord and Saviour Jesus Christ is faithful and promises to complete the good work that He has started in us.**²³

We should therefore continue to keep our eyes focused on Him in childlike faith, prayer and obedience. Most importantly, we should allow our Bridegroom, Jesus Christ, to wash us with His blood so that our spirits and souls may be healed, restored, delivered and set free from every bondage to Satan.

Revelation 22: 14: “*Blessed (happy and to be envied) are those who cleanse their garments, that they may have the authority and right to (approach) the tree of life and to enter through the gates into the city.*”

PRAYER TO DEAL WITH DEMONICALLY PROGRAMMED DID ON SPIRIT AND SOUL LEVEL

This prayer aims to assist believers in Jesus Christ to “deal” spiritually with the type of DID on spirit and soul level that this teaching is about. It should however never take the place of the inspiration and guidance of the Holy Spirit. We should always pray in Spirit and in Truth and the Holy Spirit will always lead us in all Truth.

1. Deliverance from the strong men on spirit level that work with the DID

In this regard refer to our teaching about *Deliverance on Human Spirit level, the Strong men* and to the prayer included in there. Ask Jesus to come and take the strong men away that deal specifically with DID (refer to paragraph 14 of the above teaching). Then you may also ask Jesus to come and take away the strong men demons that control the specific layer of DID that you intend to address (e.g. if it is “rejection” then you address the strong man “rejection” and perhaps also the strongmen demons of the stronghold of Athaliah such as Athaliah, Jezebel, Ahab, Baal, Arbagon, Bronkisilis, Castoralis etc. (refer to our complete teaching about *The evil stronghold of Athaliah*). After the strong man demons relating to the layer of DID that you would like to address were taken away by Jesus, then proceed with the prayer below.

2. Cancellation of the DID motherboard

“Lord Jesus Christ, in your name and by the power of your blood, I now come and I cancel the complete DID motherboard of the enemy that was downloaded into (the person you are praying for) at conception in the womb on spirit, soul and body level. I declare it null and void and it will now go up in flames.”

3. Call the layer of DID on spirit level out that you want to address (e.g. relating to rejection and trauma experienced as child when your father abused you)

“In the name of Jesus Christ, I now call out the host DID part on spirit level that works with the rejection that experienced as a child from her father who constantly abused and belittled her.

When the host DID part on spirit level comes out, ask the host DID part who it is (usually it would be a DID part programmed with the identity and personality of the person’s father who abused her), then ask whether there are other DID parts below this host DID (usually there would be other DID parts of the person herself below the host DID part who is the father, who are constantly being told (by the host DID part) that they are useless and a failure and would amount to nothing).

“Jesus, I ask you to appear in person to all of these DID parts on spirit and soul level (i.e. of the host DID who is the father as well as to all of the other DID parts below the host that are being held captive by the host). Jesus, it is written in your Word that no-one who sees you will be able to remain alive so therefore I command all of these DID

parts to now bow before you and to open up the doors of their hearts Jesus so that you may enter.”

4. Deliverance to the DID parts

“Jesus, I command in your name all demons that are in the DID host as well as in all of the parts below the host (on spirit and soul level) to leave the DID parts now! (Command all demons to leave as the Holy Spirit shows you). Jesus, please wash these DID parts all clean with your blood and restore them completely to righteousness.”

5. Cancellation of the DID programme and all triggers

“In the name of Jesus Christ, I command the DID programme (as well as all back-up programmes) that work with this specific layer of DID on spirit, soul and body level to go up in flames and I declare it null and void. All triggers (on spirit, soul and body level), that work with this layer of DID will also now be de-activated by the blood of Jesus and will no longer have any force and effect.”

6. Integration of the DID

“Jesus, I now ask that you will personally come and with your own hands integrate the DID parts (the host as well as all other DID parts below it on spirit and soul level) with the core spirit person and the core soul dimension of (the person that you are praying for).”

7. Thanksgiving and honour

“Thank you, Jesus for this healing and deliverance. I give you Jesus, God the Father and the Holy Spirit all the praise and honour. Please also seal this healing with your precious blood on spirit, soul and body level.

AMEN”

(Remember that there may still be power demons, foot soldiers, DSC’s and hurt inner children pertaining to the level of DID that you have dealt with on soul and body level and that they should also be dealt with – refer to our other teachings in this regard. Also remember that you may stand in the gap for someone else that are under your spiritual authority (e.g. your child) in respect of DID on spirit and soul level that may also be in the child.)
