

BROKENNESS OF THE HUMAN SPIRIT

DUE TO THE IMPACT OF THE SEED OF SATAN AT CONCEPTION IN THE WOMB

1. INTRODUCTION

The source of this teaching is the Holy Spirit as revealed to us in ministry sessions of inner healing and deliverance with believers in Jesus Christ. The revelation we received was also confirmed in many sessions with different believers and proven by the fruit that we saw in the believers' lives.

However, before we start to explain the brokenness of the human spirit and how it came about it is important for every believer to first understand the complexity of a human being.

Our Lord and Saviour Jesus Christ gave each human being a spirit, a soul and a body so that we may also be triune beings as God is Father, Son and Spirit. We were also physically created by God according to His own image.

A human being starts its journey here on earth at conception in the womb as a spirit (that came from God) who then becomes a living soul and gets a physical body (Genesis 2:7). It is therefore clear that the most essential and important part of a human being is the human spirit since only in the human spirit may we truly know and accept God since our spirits are of God.

At conception, the human being so created is known as a zygote (one cell that consists of the coming together of the egg cell of the mother and the sperm of the father). This zygote then further develops into an embryo and thereafter over the following nine (9) months into a complete and perfectly created little baby. This is done by the hands of our creator God, Jesus Christ Himself. This is nothing short of a miracle and only a living God can create like this!!

A human spirit therefore gets incarnated into human flesh (soul and body) to become a triune human being with not only a spirit but also a soul and a body! Both the spirit and soul of a human being is eternal and will therefore live forever. Only

the flesh will again turn to dust and we will receive a glorified body when Jesus comes back to make everything new.

Man's mandate from His creator God is then to reign over the earth and everything on it until the time comes that God will call the spirit of man back to Him to inherit either eternal life or eternal death.

However, due to the fall of man in the Garden of Eden, Satan polluted this perfect design of God (to create man according to His own image) by also depositing his seed into man. The Godly seed is the human spirit that comes from God and the enemy's seed is the seed of Satan that also came in due to the Fall. The Fall of man resulted from the "eating" of the forbidden "fruit" of the Tree of Knowledge of Good and Evil (Lucifer) in the Garden of Eden.

The whole of humanity was affected by the Fall in the Garden of Eden since the Bible teaches that every human being is a descendant of Adam and Eve and has inherited their sin through the bloodlines¹ of their ancestors.

In order to fully understand this teaching, it is highly recommended that the reader should first study our other teachings that are freely available on YouTube (especially the one on blood line curses called "*Wash your spiritual DNA in the blood of the Lamb, Christ Jesus*" as well as our teaching on "*The impact of the seed of Satan on the human race*").

A basic knowledge and understanding of dissociative identity disorder (DID) is also necessary.

2. TRAUMA AND SHOCK DUE TO THE IMPACT OF THE SEED OF SATAN AT CONCEPTION IN THE WOMB

Each human being on this planet that has ever lived (and that will ever live) experienced extreme trauma and shock at the exact point of conception in the womb. This is caused by the seed of Satan that falls at conception in the womb and that sends spiritual shock waves through the newly created

human being's spirit, soul and body. This spiritual impact may be compared with the physical impact created by a meteorite when it hits the earth or any other planet.

¹ Refer to our teaching on blood line curses called "*Wash your spiritual DNA in the blood of the lamb, Christ Jesus.*"

3. SPIRITUAL RIPPLE EFFECT

The seed of Satan falls at conception in each human being directly into the human spirit since Adam and Eve opened their human spirits up to Lucifer and his seed when they “ate” from the “forbidden fruit”.

From the human spirit the seed of Satan however also penetrated the human soul and body. In the human soul the effect of the seed of Satan is that man has a tendency towards sin (in his will, intellect and emotions) and in the human body the seed of Satan manifests in the Kundalini snake-like spirit that is found coiled up in the sacrum of every human being.

Therefore, when we pray for healing, restoration, and integration of the shattered parts on human spirit level, we should always remember to include the soul and body in our prayer. The healing so derived will then be complete on human spirit, soul, and body level.

4. HURT INNER CHILD OF HUMAN SPIRIT FORMED AT CONCEPTION

When we minister to reborn believers in Jesus Christ, we almost always find a little hurt inner child of the human spirit that speaks of the extreme trauma that he or she experienced at the exact point of conception when the seed of Satan fell and hit the human spirit, soul and body similar than a spiritual meteorite.

In this regard, we often hear this hurt inner child on human spirit level say that he or she experienced emotions such as:

- Extreme trauma and shock
- Disillusionment and confusion
- Bewilderment, fear and anxiety
- A deep sense of loss
- Sadness and depression
- Hopelessness and despair
- Abandonment (by God) and a sense of being a victim and/or an orphan
- Distrust in God
- Believing the lie that God does not exist, for if He does, why did He allow this to happen?
- Believing the lie that God is not a good and loving God etc.

We then minister to this little hurt inner child on spirit level (but also simultaneously on soul and body level) by calling the hurt inner child out and praying with the child. We then ask Jesus to appear to this little hurt inner child and to show him or her the

truth. We then cancel the lies of the enemy and replace it with the truth of God and we ask Jesus to wash the little child clean with His blood. After the healing and the restoration, Jesus then takes the little inner child on spirit, soul and body level away. The believer ministered to is then healed from this trauma and restored by the blood of Jesus.

We often find that this little hurt inner child on human spirit level (but also on soul and body level) at conception in the womb plays a big part in the believer's struggle to completely trust God and to be able to fully surrender to Him. This is understandable since the little child is unable to understand how a loving and almighty God could have allowed the enemy to come and steal and destroy in such a drastic way. Such a hurt inner child often says that he or she just saw "*chaos*" or "*darkness*" or "*brokenness*" when the seed of Satan fell.

In this regard, we should remember that everything always starts in the spirit and then only there after manifests in the natural or flesh. This means that the shock and trauma due to the seed of Satan that fell in the human spirit at conception is first experienced by the human spirit and thereafter also by soul and body. You will therefore also find a hurt inner child on soul and body level that experienced trauma and shock at conception in the womb due to the seed of Satan. The Holy Spirit however taught us that when we minister to this hurt inner child on human spirit level, that is the most effective way since the hurt inner children on soul and body level may then also be included in the prayer and the healing and restoration that follows is then complete on all three levels.

Now, all these emotions that are locked into the hurt inner children (even on human spirit level) may explain to us why many believers in Jesus Christ find it difficult to fully trust Him. Many say they believe in Him but still end up trying to protect or save themselves or to earn their own salvation through their own good works.

The enemy also taps into and draws strength from all these locked-in emotions in the end time that we currently live in through the various strands of Covid-19 infections to increase the level of fear and deception in believers.

Every believer should obtain inner healing on this level so that Jesus may wash this little hurt inner child on spirit (and soul and body) level clean with His precious blood and take the little inner child with Him.

5. BROKENNESS OF THE HUMAN SPIRIT DUE TO THE IMPACT OF THE SEED OF SATAN

We have found (in believers that we ministered to) that the enemy gained the right to shatter the human spirit, soul and body at conception due to the impact of his seed that fell like a spiritual meteorite. This caused the human spirit (but also in soul and body) to be broken into various DID (dissociative identity disorder) parts or alters. This is usually the first layer of brokenness in every human being (except in

believers who are the victims of satanic ritual abuse, where the DID programming may be very different due to the rituals and abuse that took place). The strongest of these parts or alters are situated on human spirit level and are distinct shattered parts of the human spirit. Each one of these parts is then demonically programmed by the enemy in accordance with the blood line bondage that the individual inherited from his or her ancestors (e.g. witchcraft, unforgiveness, unrepented sin, unbroken curses, dedications and covenants made with Satan by the ancestors etc.).

The result is that many believers that we minister to have a reborn core human spirit (where Jesus lives) that is only about 10 or 15% of the totality of the human spirit (!) and the rest of the human spirit consists of shattered parts (also called DID alters) that are NOT REBORN IN JESUS CHRIST!!

Yes, believer in Jesus Christ, we know this sounds unbelievable and at first you may even think that this is unbiblical, but this is truly what we find when we minister to fellow believers, and we find it consistently and constantly. We also see the fruit when these DID alters integrate into the core human spirit and there are already many believers who are able to testify of the enormous difference that they experienced on spirit, soul and body level when this level of DID integrated with their core human spirit (and soul). The result of this healing (done by the hands of Jesus Christ Himself on human spirit level) is a human spirit that is much, much stronger, and much more able to receive the baptism of the Holy Spirit and to take authority over soul and body.

The sculptor of the statue to the right clearly knows a lot about the brokenness of humanity due to the enemy's seed in human beings since it is a particularly good illustration thereof.

Some examples of what we have already found in fellow believers whom we ministered to are the following:

- In a woman who struggled her whole life with bipolar depression, we found a host DID part on human spirit level that said it consists of about 75% of the totality of her human spirit. It said that her core human spirit (where Jesus lives) is only about 18% of the total human spirit (that left about 7% to consist of other DID parts, under the control of the host DID part). This host DID part on human spirit level had the same name than the woman we ministered to but was like an **alter ego** of her. The word "alter ego" is defined by [Wikipedia](#) as: "An alter ego ([Latin](#) for "other I," "doppelganger") means an alternative [self](#), which is believed to be distinct from a person's normal or true original [personality](#)." This other part of herself on human spirit level was obviously not reborn in Jesus Christ and was completely possessed

and controlled by various demons. This part told us that her roll and function in this believer was to counter her (on human spirit level) in everything that she believes, does and wants to become for Jesus Christ. This host DID part also said that her ultimate aim is that the constant struggle should result in the woman losing her sound mind (i.e. she should become “mad”). When this host DID part on human spirit level integrated with the believer’s core human spirit (together with all the other parts under the host’s control), the believer said that for the first time in her life her mind was quiet (from voices), and she experienced a peace that she has never known before. It was as if she could think clearly and be calm and peaceful and her thoughts were no longer so scrambled. It was also explained to us by this host DID part, that the believer’s Greek illuminati blood lines (through specifically the Onassis line) together with many dedications and blood covenants made with the enemy by the ancestors gave the enemy the right to use this “alter ego” DID part on human spirit level so powerfully.

- In another lady believer (with strong British Illuminati blood lines), we found no one other than the **Queen of England (Queen Elizabeth)** programmed by the enemy as the host DID part on spirit level (that split off and got programmed due to the impact of the seed of Satan). We remember calling out the host DID part on human spirit level due to the impact of the seed of Satan at conception and the Queen came out saying to us over and over: *“How did you find me? O my dear lord! My dear lord!”* Her whole mannerism when she came out was also exactly British royalty and this part spoke exactly like Queen Elizabeth. She said that the believer’s core human spirit (where Jesus lives) is a mere 30% and that the shattered parts on human spirit level are about 70% of which her part contains about 80%. If our maths is correct, that results in a host DID part being the Queen of England that contains about 56% of the totality of the believer’s human spirit! This explained to us why the Kundalini spirit remained so strong on human spirit level even whilst the lady herself has renounced Kundalini and has repented of everything that could even remotely have been an open door and that gave the Kundalini the right to operate. The Kundalini on human spirit (and soul and body) level drew immense power from this host DID part on human spirit level since Kundalini illumination and the Illuminati goes strongly together.
- In a man whom we ministered to, we found **Azazel** (the name that Lucifer gave to himself in his fallen state and especially in the state of being the snake (dragon hybrid) who seduced Adam and Eve in the Garden of Eden). This host DID part, programmed by the enemy to be Azazel (a hybrid snake or dragon) said that he contained 60% of the totality of the man’s human spirit (as the host DID part). The core of this man’s human spirit (where Jesus lives) then must have been less than 40% of the totality of his human spirit. Again, we

heard that this host DID part on human spirit level opposed the core human spirit in everything and wanted to bring death and destruction on every level of the believer's being. Azazel wanted this believer to lose his faith and to turn away from Jesus and if he could not succeed in that, he wanted him to become so anxious and depressed that he would take his own life. Fortunately, the Holy Spirit led us to discover this host DID part on human spirit level and after this part was reborn, washed by the blood of Jesus and integrated with the man's core human spirit, the believer experienced that he was in the throne room of Jesus and met Jesus face to face. This intimacy with Jesus was priceless and something that this believer has not yet experienced on this level due to the brokenness of his human spirit.

6. NATURE OF THE BROKEN PARTS OF THE HUMAN SPIRIT LEVEL

God only allows the enemy to do what the enemy has the right to do. Therefore, the brokenness that we find on human spirit level is always according to the bondage inherited through the blood lines from the ancestors and is mostly unique in every person.

With "bondage" we mean the rights that the enemy obtained over the blood line due to the sins of the ancestors including blood covenants, rituals and sacrifices made with and to Satan (e.g. as part of Freemasonry).

7. WHERE IS THIS IN THE WRITTEN WORD OF GOD (I.E. THE BIBLE)?

In Matthew 13:24 - 30: Jesus Himself speaks -

"The parable of the Wheat and the Tares"

24. *The kingdom of heaven is like a man (Jesus Christ) who sowed good seed (the spirit of man that comes from God) in his field (human beings created by Him according to His image).*

25. *but while men slept (in a state where man is vulnerable and not aware), his enemy (Satan) came and sowed (as a result of the Fall in the Garden of Eden) tares (something that would grow in opposition to the good seed and would steal from it the water and nutrition that would have enabled the wheat to grow strong) among the wheat (that which is born of the seed of God namely the human spirit) and went his way (left the bad seed to germinate and grow up in and amongst the wheat).*

26. *But when the grain had sprouted and produced a crop (at the stage when the believer becomes reborn and wants to follow Jesus Christ), then the tares also appeared (then and at this stage Satan also activates all the evil programmes and mind-control in the shattered parts of the human spirit (and soul and body) in order to cause opposition to the reborn human spirit).*

27. *So the servants of the owner (the believers in Jesus Christ) came and said to him: "Sir, did you not sow good seed in your field? How then does it have tares (How can this be Lord Jesus since our spirits come from you and when reborn you live there?)?"*

28. *He said to them, "An enemy has done this (this is done by Satan, due to his seed in humans). The servants said to him: "Do you want us then to go and gather them up (is it possible to gain freedom from these shattered parts now)?"*

29. *But he said: "No, lest while you gather up the tares you also uproot the wheat with them (no, the shattered parts of the human spirit under the control of Satan may not be removed since it forms an inseparable part of the core human spirit).*

30. *Let both grow together until the harvest (the final day of judgement of Jesus when He Himself will judge all people), and at the time of harvest I will say to the reapers: "First gather together the tares and bind them in bundles to burn them, but gather the wheat into my barn. (Only Jesus will be able to (at the final day of Judgement) free His people from the seed of Satan since He will come to make all things new.)"*

Now this parable must also be understood in the context of the fact that Jesus told this parable when the Jews to whom it was told were still living under the Old Covenant namely the Law. Jesus had not yet at that stage died for all who believe in Him and has not yet paid the price with His own blood to set us free from sin and death. For us who are now living under the New Covenant of grace it is possible for the wheat (the good seed of God namely our human spirit) to be set free from the tares and for the "harvest" (i.e., the judgement of God) to come earlier if we allow it. In 1 Peter 4:17 Peter says: *"For the time has come for judgment to begin at the house of God..."*.

Therefore, dear reborn believer in Jesus Christ, allow our Lord Jesus Christ through His Holy Spirit to judge you now and here whilst you are still alive (by repenting for and renouncing the sins of the living and the dead) so that you may be found ready when Jesus returns and so that your Bridal garment will be without spot or wrinkle.

Some believers may perhaps challenge the fact that we minister to the human spirit. Paul said in 1 Thessalonians 5:23 that we should be sanctified completely in spirit, soul and body and that our whole spirit, soul and body should be preserved blameless at the coming of our Lord Jesus Christ.

8. HOW SHOULD WE UNDERSTAND THE “NEW CREATION” IN 2 CORINTHIANS 5:17 IN THIS CONTEXT?

In 2 Corinthians 5:17 Paul says that *“if anyone is in Christ, he is a new creation; old things have passed away: behold, all things have become new.”*

It has unfortunately been taught in many churches that when someone is reborn in Jesus Christ by accepting Him as saviour, then that person becomes a totally new person meaning that the whole person is re-created to become a new person. Today with all this revelation that the Holy Spirit gives us, we know that this interpretation of 2 Corinthians 5:17 is not correct, since even after rebirth in Jesus Christ, it remains a journey of sanctification in spirit, soul and body for the believer to become more Christ-like (to take on the nature of Jesus Himself).

This journey of becoming more and more like Jesus will come to its fulness with the arrival of the mark of the Beast (Revelation 13) since every believer who refuses the mark and thereby gives up his or her own life here on earth will have succeeded to become like Jesus who were obedient to the Father until death. That will be the final arising of the true sons and daughter of God whom the whole of creations eagerly awaits (Romans 8:19).

The commentators to the New Spirit-Filled Life Bible then also confirms just this where they interpret 2 Corinthians 5:17 as follows:

“Christ’s death and resurrection for us and our identification with Him by faith, make existence as a new creation possible. At present this new creation is only partially experienced, but it is to be our focus as the completion of the re-creation is assured. Our relationship with Christ affects every aspect of life.”

9. WHAT HAPPENS TO A BELIEVER’S SPIRIT AT REBIRTH IN JESUS CHRIST?

At the point of spiritual rebirth in Jesus Christ (when the believer gives his or her heart (spirit) but also his or her complete self (including soul and body) to Jesus), the Holy Spirit comes and circumcises the core human spirit (who is the “ID book human spirit” in DID terminology, i.e. “the real you” on human spirit level). Only the undivided core of the human spirit can accept Jesus as saviour at this stage since all the other shattered (DID) parts of the human spirit are “possessed” by demons and have a separate identity than the core.

The result is then that the reborn child of God becomes a completely new creation (in accordance with 2 Corinthians 5:17) in his or her core human spirit whilst the shattered parts remain under the enemy’s control.

This creates on human spirit level (but also on soul and body level) an almost yin-yang effect where Light and darkness stands in direct opposition of each other. The

parts of the human spirit that are still under the enemy's control oppose and put pressure on the core human spirit (where Jesus lives) so as to make it as difficult as possible for the core to be able to minister life, healing and the light of Jesus to soul and body.

10. IMPLICATIONS OF BROKENNESS OF THE HUMAN SPIRIT ON OUR HUMANITY

Our creator God Jesus Christ designed the human spirit to be at the core of our humanity and to minister health and healing to soul and body. The human spirit is also designed to be the seat of God in the triune human being. The human spirit is circumcised by God and becomes reborn when a human being gives his or her heart (spirit) to God. The Holy Spirit then shines from the human spirit and brightens up every part of the human being (including soul and body). This is how God intended it to be and from the reborn human spirit the Holy Spirit may then bring healing, deliverance and peace to spirit, soul and body.

If then the core human spirit (which is the part of the human spirit that may potentially get reborn in Jesus Christ) is only 50% or less of the totality of the human spirit (as designed by God), it follows that our capacity to receive the fullness of the Holy Spirit and everything that Jesus died for us to have (including His resurrection power (also called the *dunamis* power)) is limited to 50% or less of God's design for our human spirits. It follows that if, let us say, 50% or more of our human spirits are not in Jesus but are still being possessed by evil spirits, that would mean that the 50% (the shattered spirit parts under the control of the enemy) are still ministering death and destruction (in many ways) to our souls and bodies.

Lastly, the shattered parts are also constantly opposing the core human spirit with the aim of breaking the human spirit even more due to trauma and shock and to get the shattered parts programmed and mind-controlled by the enemy. The aim of the enemy is that the believer should totally lose his or her faith by turning away from God and then even the core human spirit will lose its salvation and be possessed by the enemy.

Perhaps the most bewildering consequence of the shattering of the human spirit is that due to the constant oppression that is being experienced by the core human spirit, the believer may be pressurised by the enemy to make the wrong decisions and thereby to compromise with the enemy (for example by taking the Covid-19 vaccinations, thereby renouncing the power of the blood of Jesus and submitting to Pharmakeia and the strategies of the enemy to prepare mankind for the imminent coming of the antichrist). This will then result in further shattering of the core human spirit and in the end-time programming of those shattered parts by the enemy according to his plans. The core human spirit in this way becomes smaller and weaker and the spiritual oppression of the enemy (even on human spirit level) becomes more. It is therefore possible to lose one's salvation by ultimately letting go

and turning away from Jesus Christ (since the pressure from the demonically possessed shattered parts simply becomes too much).

When and if the core human spirit has completely surrendered to the enemy (after it has once been reborn in Jesus Christ), it is then that Hebrews 6 verses 4 to 6 come into play since there is no core left to be reborn again:

“For it is impossible for those who were once enlightened (by the Holy Spirit in their core human spirits), and have tasted the heavenly gift (being reborn and circumcised by the Holy Spirit), and have become partakers of the Holy Spirit, and have tasted the good word of God (the law of God written on their hearts by the Holy Spirit) and the powers of the age to come (the power of the blood of Jesus together with all the spiritual gifts), if they fall away (lose their salvation by surrendering the core human spirit to the enemy), to renew them again to repentance (become reborn again), since they crucify again for themselves the Son of God (by rejecting the Holy Spirit of God living in their core human spirits, whilst fully knowing the resurrection power of God) and put Him to an open shame (denying Him in front of men).”

However, something that gives us tremendous hope (even whilst we may still be severely broken even on human spirit level) is that Jesus says in Matthew 17 verse twenty that if we have faith as a mustard seed, nothing will be impossible to us. Therefore, dear believer in Jesus Christ, even if your core reborn human spirit (where Jesus lives) is only 10% or less of the totality of your human spirit and the shattered parts are 90% or more of the totality of your human spirit, the 10% that operates in the power of the Holy Spirit will still be able to sustain (since Jesus says *“nothing is impossible”*) as long as we just keep holding on to Jesus. He is a faithful God.

11. AT WHAT STAGE IS A BELIEVER READY FOR THESE PROGRAMMED DID PARTS ON HUMAN SPIRIT LEVEL TO BE INTEGRATED WITH THE CORE?

The enemy’s kingdom is very legalistic. This means that God only allows him to do according to that which he has a right. Therefore, a believer who:

- Is reborn and has been baptised in water (by full immersion) and with the Holy Spirit
- Has repented for, renounced and turned away from all known blood line sins as well as his or her own sin
- Who has allowed Jesus to heal all known and hidden trauma (even and especially those hidden by the enemy) and
- Who has broken all covenants and dedications made with the enemy by both him or herself as well as the ancestors

will be ready to pray this prayer at the end of this teaching since the enemy would have lost all legal title to the shattered parts of the spirit (and soul) and upon request

in prayer they may be integrated by Jesus with His own hands on human spirit, soul and body level to restore the human spirit, soul and body.

It is therefore clear that should the enemy still have a right to a particular shattered part on human spirit level (e.g., a part that still draws its power from certain unhealed childhood or adult trauma), that part will not integrate, even if we ask for it in prayer. Our God is a righteous God, and He will not work against His own spiritual laws.

12. WHAT HAPPENS TO A HUMAN SPIRIT (THAT IS REBORN IN CORE BUT STILL HAS SHATTERED PARTS) UPON THE BELIEVER'S DEATH?

The reborn human spirit is saved and the complete human spirit of that believer in Jesus Christ goes to heaven and has eternal life. This is possible due to what Jesus did for us on the cross. He paid with his life and shed His innocent blood so that the curse of sin and death may not separate us from His love and grace and that we may be saved (irrespective of our own brokenness in spirit (and soul and body) upon death).

A believer's soul (that was created at conception but that are also eternal in nature) will also go to heaven upon his/her death since the soul also gets reborn and circumcised by the Holy Spirit when the believer identifies with Jesus in His death and resurrection in baptism by full immersion in water. That is why the baptism of believers is so important and it is a command of Jesus to be baptised. Baptism do therefore indeed save us but only in relation to our souls that are also eternal. Our spirits get saved and reborn the minute we accept Jesus in our hearts as our only Saviour and we give our hearts (spirits) to Him.

What happens to the soul of someone who has not been baptised as a believer? We are not sure and would not like to enter a debate in this regard. All we really do know for sure (and that is what we choose to fix our eyes upon) is that Jesus says in His Word that by faith alone we are saved (Ephesians 2:8) and Jesus says in Revelation 7:17 and 21:4 that He will wipe all tears from our eyes and will make all things new. Our souls will therefore also be healed and restored by Jesus and, together with our spirits, will be united with a glorified body.

13. CLOSING

Believers in Jesus Christ, there is little time left for us to wash our spiritual clothes in the blood of the Lamb, Christ Jesus. If you have not yet repented for your own sin and those of your ancestors for all rights of the enemy to be removed over your life, it is now the time to do it. What is more, we should go to Jesus with our trauma and our hurt and we should allow Him to heal us in spirit, soul and body. This is a journey of obedience to Jesus Christ and in this regard we refer you to our teachings on our YouTube channel as well as we invite you to enrol for our Warrior School where we

will guide you through all of the important strongholds of the enemy and will help you with renunciation prayers etc.

Lastly, for those who have already washed their clothes in the blood of Jesus through repentance, renunciation and inner healing, we invite you to pray this prayer at the end of this teaching to obtain healing of your broken human spirit (and soul).

14. PRAYER TO ADDRESS THE TRAUMA, SHOCK AND SHATTEREDNESS OF THE HUMAN SPIRIT DUE TO THE IMPACT OF THE SEED OF SATAN AT CONCEPTION

(Dear reborn believer in Jesus Christ, please be aware that the enemy will still have the right to keep his shattered parts of the human spirit that split off at conception due to the impact of the seed of Satan if he still has a right to them. He will have a right to one or more or all of the shattered parts if blood line curses have not been broken, if you have not yet been baptised as a believer (or if your baptism is contaminated), if there is still unrepented sin in your own life, if there is deception (e.g. the Hebrew Roots error or Afrikaner heritage error (Baal worship by way of the Voortrekker Monument) etc.), or if there is unhealed trauma (e.g. you were molested as a child and there is still a hurt inner child). Therefore, this prayer should only be prayed by reborn believers who have already journeyed quite far in terms of inner healing and deliverance. In this regard, refer to all of the other teachings of Ignited in Christ that are freely available on YouTube and that may be requested from our ministry (info@igniytedinchrist.org).

PRAYER

To prepare for the prayer, you may take communion and anoint yourself with oil in the name of God the Father, the Son Jesus Christ and the Holy Spirit.

My Father, I come to you in the name Jesus Christ your Son and ask that by the power of the Holy Spirit you will take me back in the spirit to the exact time of conception in my mother's womb.

Hurt inner child on human spirit level (as well as soul and body level)

Jesus Christ, at this point of conception in my mother's womb, I ask that you call out and appear to any hurt inner child on my human spirit level (but also simultaneously on soul and body level) that was traumatised and shocked when the seed of Satan fell at conception and penetrated my human spirit as well as my soul and body.

Jesus, please shine your Light on the hurt inner children and show them that your Light is powerful and that it shines into the darkness and that the darkness will not overcome it. Show the hurt inner children Lord Jesus that you are who you say you are and that you have overcome Satan on the cross and that you promise to be with us and to never leave us nor forsake us. Lord Jesus, please reveal your love to this hurt inner child on my human spirit level but also on soul and body level and cancel

all and any lies of the enemy that you are not a good God and that you do not love us. Show this hurt inner child Lord Jesus that you are trustworthy and will keep your promises to keep us safe against the enemy.

Lord Jesus Christ now please apply your blood shed for us on the cross on my human spirit level but also on soul and body level to wash away all trauma, shock, fear, anxiety, despair, hopelessness, distrust, and rejection that this hurt inner child may have. Please also wash away all other hurt emotions and lies from the enemy with your blood and reveal your might and glory to all the little children on spirit, soul and body level. Please restore their peace and take them to you Jesus – please take them away with you.

Thank you, Jesus

Demonically programmed DID on human spirit level due to the shock and trauma caused by the impact of the seed of Satan at conception

Lord Jesus, I ask you to appear (in the spirit) to the host and every other demonically programmed DID part of my human spirit that shattered due to the shock and trauma experienced by the hurt inner children on human spirit level (but also on soul and body level). It is written that no one that sees the living God (Jesus Christ) can stay alive because of your holiness and your power. Therefore, please Lord Jesus command the host DID parts as well as all the other demonically programmed DID parts underneath this part to open the doors of their hearts so that You may come in. Please let them all be reborn in you Jesus. Lord Jesus, please cancel all DID programming, mind-control, triggers, witchcraft and caging over these DID parts. Lord Jesus, now please wash all the DID parts on spirit, soul and body level with your precious blood and integrate them with your own hands on spirit level as well as on soul and body level with my core human spirit as well as soul and body.

I plead your blood over this integration Lord Jesus and ask that your blood will seal the integration on spirit, soul and body level.

Thank you, Jesus

DID on human spirit level that split and got programmed due to the impact of the seed of Satan at conception

Lord Jesus, I ask you to appear to the host of the DID parts on human spirit level that split off from my core human spirit due to the impact of the seed of Satan in the womb at conception. Lord Jesus, I ask that you command the host part and all the DID parts reporting to it on my human spirit level to open the doors of their hearts for you to enter. Jesus, please cause all of these DID parts of my human spirit as well as soul and body to be reborn in you. Lord also now command all the evil spirits that are in them to leave these parts now. Also wipe from them any identity other than

my own identity as parts of my human spirit, soul and body. Lord Jesus, please cancel all DID programming, mind-control, triggers, witchcraft and curses as well as caging over these parts and then wash them clean with your blood and restore them to holiness and righteousness in you. Now Lord Jesus, on my human spirit level, please take all these parts and integrate them with my core human spirit and on soul and body level the same. I thank you Lord Jesus and plead your blood over this integration on spirit, soul and body level.

Baptism with the Holy Spirit

Lord Jesus Christ, Father and Holy Spirit I thank you for this healing in spirit, soul and body and now ask you to come and baptise me afresh Jesus with your precious Holy Spirit and with your Fire (*dunamis* power).

Please fill my spirit person, my soul and body Lord with your holy presence and baptise me Jesus. Let Rivers of Living Waters flow through me on every level of my being.

Thank you, Jesus Christ, to you be the honour and the glory now and forever!

AMEN.
